Charles Murray is the W. H. Brady Scholar at the American Enterprise Institute. A political scientist, author, and libertarian, he is known for his books: *Losing Ground* (1984), *The Bell Curve* (Free Press, 1994), *What It Means to Be a Libertarian* (1997), *Human Accomplishment* (2003), *In Our Hands* (2006), *Real Education* (2008), and the *New York Times* bestseller *Coming Apart* (2012). His most recent book, *By the People: Rebuilding Liberty Without Permission* (Crown Forum, 2015), urges Americans to stem governmental overreach and use America's unique civil society to put government back in its place.

Dr. Murray has a Ph.D. in political science from the Massachusetts Institute of Technology and a B.A. in history from Harvard University.
